# Florida Electronic Library Statistics

<http://www.flelibrary.org/>

The Florida Electronic Library is a gateway to electronic resources that provides access to electronic magazines, newspapers, almanacs, encyclopedias, documents, and reference books, as well as one-on-one online assistance from professional librarians. The site can be used to research current events and gather information on topics such as education, business, technology, health, and Florida history. The Florida Electronic Library offers direct library services to all Florida residents, providing information for all age groups. The Florida Electronic Library is the result of statewide collaboration between all of Florida's libraries and is funded by a federal Library Services and Technology Act grant administered by the Florida Department of State, State Library and Archives of Florida.
